As part of our daily update, BoeFly is now providing a simple way for you to opt out of receiving our Daily Update email, as well as a quick option to withdraw all of your applications.

Click [here](#) to opt out of the daily update email and/or signify you would like to withdraw all of your applications.

As we've shared, BoeFly's lenders continue to process a significant number of loans and we expect this to continue as PPP funds remain. Applicants continue to receive emails from their lenders with closing documents or in some cases clarifying questions. Please note that several of our lending partners use servicing email addresses so you may receive a 'next steps' email from an unfamiliar email address. Learn more [here](#).

Please notify us immediately if you receive funds from any non-BoeFly lender by updating your specific application in the [Portal](#) so we can pull your application. ***Click the three dots next to your application on the home page under the Action column and choose Withdraw Application.*

Checking your status online is the only way to learn the latest about your application, but when we have a mass number of updates, we'll alert you. You can monitor changes to your status by logging in [here](#) and learn more about our status categories [here](#).

Stay safe!
