Good afternoon,

BoeFly's lenders continue to process a significant number of loans and we expect this to continue as PPP funds remain. Applicants continue to receive emails from their lenders with closing documents or in some cases clarifying questions. Please note that several of our lending partners use servicing email addresses so you may receive next step emails from an unfamiliar email address. Learn more [here](#).

**Visit this page to request all of your applications be withdrawn on this page or to opt out of receiving our daily update email. If you only wish for one application to be withdrawn you can do so by signing into the portal and withdrawing your app [here](#).**

Checking your status online is the only way to learn the latest about your application, but when we have a mass number of updates, we'll alert you. You can monitor changes to your status by logging in [here](#) and learn more about our status categories [here](#).

Finally, BoeFly is hosting a webinar on 5/27 at 2:00 ET, covering 5 Tips To Maximize Forgiveness. Register [here](#).

Stay safe!  
Mike
