Good afternoon,

BoeFly regularly receives questions about PPP forgiveness from those who already have their PPP loan and those still in process. It is increasingly clear that many PPP borrowers might benefit from one-on-one counseling rather than FAQs and webinars ([link](#) to BoeFly's webinar on Forgiveness).

To that end, if you don't have an existing accountant and you are looking for direction to address the Forgiveness component of your PPP loan, consider Loyalty Brands' [Forgiveness Advisory Service](#). Loyalty Brands is the owner of Loyalty Business Services, ATAX Tax Prep and First Choice Business Brokers and are trusted by thousands of small businesses.

For a one-time fee of \$200, you will:

- Schedule an appointment with your PPP consultant
- Access best practices
- Submit your information to your PPP consultant in preparation for your meeting
- Connect with your PPP consultant
- Your consultant will be your personal advocate throughout the entire process

Stay safe,
